
Hypertension: functional form for PC1
Cumulative statistic
PC1
P−value < 0.001

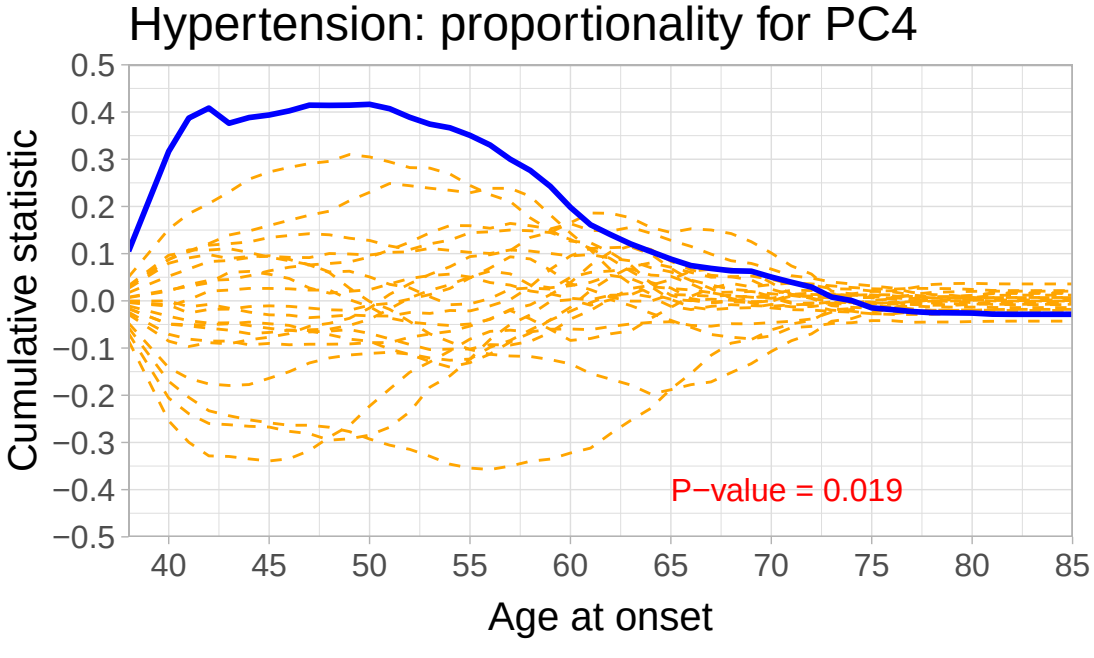

Hypertension: functional form for PC4
Cumulative statistic
PC4
P−value < 0.001

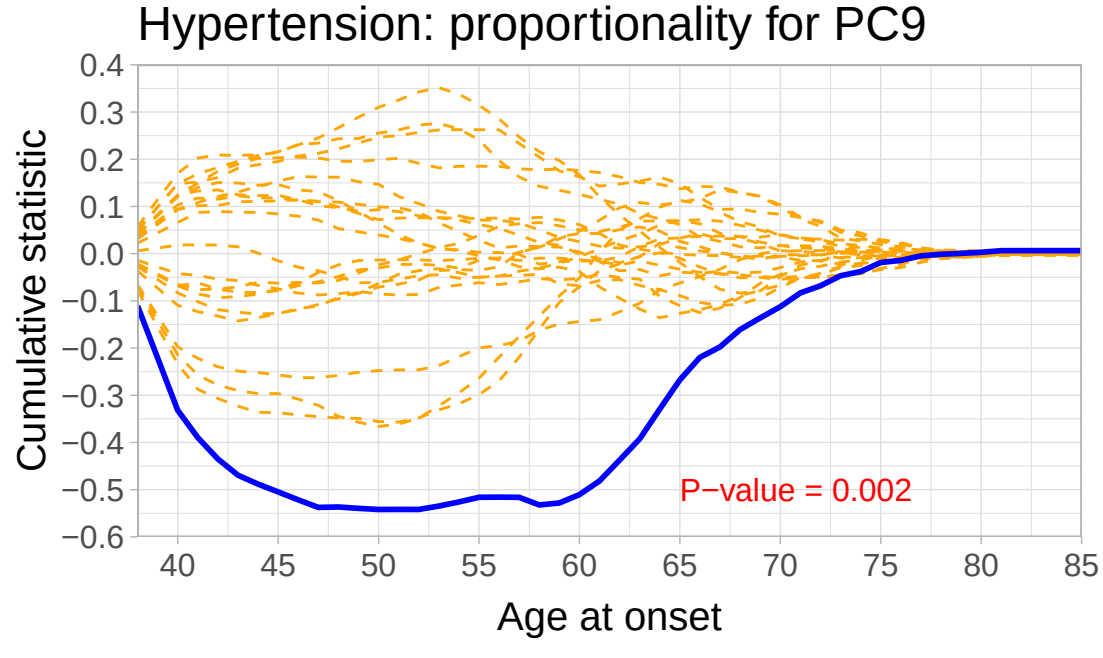

Hypertension: functional form for PC7
Cumulative statistic
PC7
P−value = 0.013

Hypertension: functional form for PC9
Cumulative statistic
PC9
P−value < 0.001

Hypertension: proportionality for sex
Cumulative statistic
Age at onset
P−value < 0.001

Hypertension: proportionality for birthplace
Cumulative statistic
Age at onset
P−value < 0.001

Hypertension: proportionality for PC4
Cumulative statistic
Age at onset
P−value = 0.019

Hypertension: proportionality for PC9
Cumulative statistic
Age at onset
P−value = 0.002
